ALPR

The battle against narcotics crime requires the best of technology and expertise. Equip yourself with the latest tools and intel at our upcoming webinar.

Webinar Details:

Date: August 28

⏲ Time: 10AM PT / 1PM ET

Topic: "From Tip to Takedown: Using ALPR and CrimeTracer to Strengthen Narcotics Investigations"

During this webinar, Jamie Algatt and David Tawadras from SoundThinking will guide you through:

- The role of ALPR in linking vehicles to narcotics crimes.
- How CrimeTracer bolsters tip validation and deepens investigation narratives.
- Seamless management of workflows using ALPR and other investigative platforms.
- Amplifying the impact on communities and cases with integrated tech.

Ready to upskill and make a difference in narcotics cases?
